In order to comply with mandatory rules or established local practice, remuneration of employees subject to rules outside Sweden may be adjusted, however taking into account, to the extent possible, the overall purpose of the guidelines.

The guidelines for remuneration to the senior executives can be found in the board of directors' complete proposals and the company's website.

Item 12. Resolution on an authorisation for the board of directors to resolve on repurchases of own shares

The company is currently seeking to change its listing venue from the Scale segment to the Regulated Market of the Frankfurt Stock Exchange. The relevant securities prospectus has been approved and published. The company expects its shares to be listed on the Regulated Market in Frankfurt from mid-May. The listing on the Nasdaq First North Premier Growth Market in Stockholm will remain unchanged.

Pursuant to the change of listing venue to the Regulated Market of the Frankfurt Stock Exchange, the board of directors proposes that the general meeting resolves to authorise the board of directors to resolve on repurchases of the company's own class A shares ("**Shares**") on the following terms and conditions:

1. Repurchases of Shares may be made on Frankfurt Stock Exchange or another regulated market.
2. The authorisation may be exercised at one or several occasions before the annual general meeting 2026.
3. A maximum number of own Shares may be acquired so that the company's holding of own Shares at any given time does not exceed 10 per cent of all shares in the company.
4. Repurchases of the company's own Shares on Frankfurt Stock Exchange or another regulated market may only be made within the price interval registered at any given time, i.e. the interval between the highest bid price and the lowest selling price.

The purpose of the authorisation is to enable the board of directors to optimise the capital structure of the company and/or to enable the company to use acquired own Shares as payment for, or financing of, acquisitions of companies or businesses and/or to hedge or facilitate the settlement of the company's incentive programmes.

The board of directors shall have the right to decide on other terms and conditions for repurchases of own Shares in accordance with the authorisation.

A resolution in accordance with this item 12 is only valid where supported by shareholders holding not less than two-thirds of both the votes cast and the shares represented at the annual general meeting.

Item 13. Resolution on an authorisation for the board of directors to resolve on transfers of own shares

Pursuant to the change of listing venue to the Regulated Market of the Frankfurt Stock Exchange as described under item 12 above, the board of directors proposes that the general meeting resolves to authorise the board of directors to resolve on transfers of the company's Shares on the following terms and conditions:

1. Transfers of Shares may be made on Frankfurt Stock Exchange, on another regulated market or in another way.
2. The authorisation may be exercised at one or several occasions before the annual general meeting 2026.
3. Transfers of own Shares may be made of up to the number of Shares that, at any given time, are held by the company.

4. Transfers of own Shares may be made with or without deviation from the shareholders' pre-emption rights.
5. Transfers of own Shares on Frankfurt Stock Exchange or another regulated market may only be made within the price interval registered at any given time, i.e. the interval between the highest bid price and the lowest selling price. Transfers of own Shares outside of Frankfurt Stock Exchange or another regulated market may be made against payment in cash, in kind or by way of set-off, and the price shall be established so that the transfer is made on terms corresponding to the terms for the relevant incentive programme, in accordance with current or future contractual obligations of the company or any group company (e.g., as payment for acquisitions) or otherwise on market terms.

The purpose of the authorisation is to enable the board of directors to optimise the capital structure of the company and/or to enable the company to use acquired own Shares as payment for, or financing of, acquisitions of companies or businesses and/or to hedge or facilitate the settlement of the company's incentive programmes.

The board of directors shall have the right to decide on other terms and conditions for transfers of own Shares in accordance with the authorisation.

A resolution in accordance with this item 13 is only valid where supported by shareholders holding not less than two-thirds of both the votes cast and the shares represented at the annual general meeting.

Item 14. Resolution on delivery of shares through a transfer of own shares to participants in the long-term incentive program adopted at the annual general meeting 2024 and the employee stock option program adopted at the extraordinary general meeting 2022

The company adopted a long-term incentive program for key employees of the company and certain subsidiaries of the company, including members of the top management and the CEO of the company, at the annual general meeting 2024 ("LTIP 2024") and an employee stock option program for certain key employees of the company at the extraordinary general meeting on 1 November 2022 ("ESOP 2022"). In order to secure the delivery of shares under LTIP 2024 and ESOP 2022, the general meetings resolved upon directed issues and transfers of warrants.

To enhance flexibility in delivering shares under LTIP 2024 and ESOP 2022, and pursuant to the change of listing venue to the Regulated Market of the Frankfurt Stock Exchange as described under item 12 above, the board of directors proposes that the annual general meeting resolves that shares repurchased by the company pursuant to the authorisation under item 12 above, or otherwise held by the company, may be transferred to participants in LTIP 2024 and ESOP 2022 on the following terms and conditions:

1. The company may transfer shares, but only up to the number it has repurchased under the authorisation in item 12 above or otherwise already holds. In all cases, the number of shares transferred must not exceed the maximum number that participants in LTIP 2024 and ESOP 2022 may be entitled to receive, including any adjustments made in accordance with any re-calculation provisions set out in the terms and conditions of LTIP 2024 and ESOP 2022 (as applicable).
2. The transfer of shares shall, with deviation from the shareholders' preferential rights, be made to participants in LTIP 2024 and ESOP 2022, or to the company's subsidiaries without consideration, at the time and on the terms and conditions set out in the terms and conditions of LTIP 2024 and ESOP 2022 (as applicable).

A resolution in accordance with this item 14 is only valid where supported by shareholders holding not less than nine-tenths of both the votes cast and the shares represented at the annual general meeting.

Item 15. Resolution on an authorisation for the board of directors to resolve on issuance of shares, warrants and convertibles

The board of directors proposes that the annual general meeting resolves to authorise the board of directors to, at one or several occasions and for the time period until the next annual general meeting, issue shares, warrants and convertibles within the limits of the company's articles of association. The authorisation shall be limited so that the board of directors may not resolve upon issues of shares, warrants and convertibles that entail that the total number of shares that are issued, issued through conversion of convertibles or issued through exercise of warrants exceeds 35 per cent of the total number of shares in the company at the time the board of directors exercises the authorisation for the first time.

Issues of shares, warrants and convertibles may be made with or without deviation from the shareholders' preferential rights and with or without provisions for payment in kind, set-off or other conditions. The purpose of the authorisation and the possibility to deviate from the shareholders' preferential rights shall be to finance acquisitions, raise capital to facilitate growth and development of the company or to hedge, facilitate or settle the company's incentive programs.

The board of directors, the CEO or such person as the board of directors authorise, shall be authorised to make such minor amendments and clarifications of the annual general meeting's decision that is required in connection with the registration of this resolution with the Swedish Companies Registration Office, or due to other formal requirements.

A resolution in accordance with this item 15 is only valid where supported by shareholders holding not less than two-thirds of both the votes cast and the shares represented at the annual general meeting.
